Delirium Trilogy by Lauren Oliver Movie Cast

Delirium, Lauren Oliver's dystopian young adult novel, was published in 2011 by Harper Collins. Oliver says she was inspired to write a novel about love after reading an essay by Gabriel García Márquez, who said that all books were either about love or death. As her first book was about death, love was the next logical step.

delirium . SHARE THIS BOOK ON. Before scientists found the cure, people thought love was a good thing. They didn't understand that once love -- the deliria -- blooms in your blood, there is no escaping its hold. Things are different now. Scientists are able to eradicate love, and the government demands that all citizens receive the cure upon ...

Delirium by Lauren Oliver

Lauren Oliver's creativity is astounding. Not only did she create a new world, a disease and incredible characters, her story is filled with references to medical dictionaries, government websites and American literature. Every detail was so well thought out and well written, that it, at times, was hard to remember that this was a work of fiction.
