George Steiner After Babel

After Babel: Aspects of Language and Translation (1975; second edition 1992; third edition 1998) is a linguistics book by literary critic George Steiner, in which the author deals with the "Babel problem" of multiple languages. After Babel is a comprehensive study of the subject of language and translation.

After Babel - Wikipedia

After Babel: Aspects of Language and Translation I first stumbled across Professor George Steiner some forty years ago, and found him instantly inspiring, and ultimately helpful, in perfecting my post-graduate teaching which is, as he pointed out, a process of interpreting a text for the understanding of the hearers. I wanted to own this volume, "After Babel", to cement the link with his scholarship as well as to enjoy his eloquent challenges.

'Translation has long needed a champion, and at last in George Steiner it has found a scholar who is a match for the task.' Sunday Times First published in 1975, After Babel constituted the first systematic investigation of the theory and processes of translation since the eighteenth century.

After Babel ()

Even today, with its status as a modern classic beyond question, many of the books insights remain provocative and challenging. For the second edition of After Babel, George Steiner entirely revised the text, added new and expanded notes, provided a substantially updated bibliography (including much Russian and Eastern European material), and wrote a new preface setting the book in the present context of hermeneutics, poetics, and translation studies. Steiner's subject is extravagantly rich ...
