filter pump. If your pool has an inflatable top ring, install the strainer, nozzle and plunger valve before inflating the pool liner top ring. The part numbers here onward refer to the parts depicted in the Parts List section of this manual. To install, do the following: 1. In a counter-clockwise motion unscrew plunger valve union from the threaded

Sand Filter Pump - The Pool Factory

This is actually a really handy pump. We bought it to go with an Intex inflatable pool for the kids, and I'm so glad we did. I like that there are two different nozzle sizes, making it much more versatile for pumping up anything from a beach ball to an air mattress (which we've also used this for).
