Daily life in Jane Austen's England An amazing new history book has disclosed the true squalor of British life just 200 years ago - very far from the ballgowns and parlour games of Jane Austen. Jane Austen, one of the most admired English writers of all time, died in 1817, but although she lived two centuries ago, the society she depicts in her novels is surprisingly familiar.

It's just before six o'clock on a sunny spring morning in 1798, and Miss Jane Austen wakes to the sound of the dawn chorus of birds surrounding Steventon Rectory. Life is stirring in the village, and in the fields and meadows that lie next to the house, but inside the rectory, Jane is the first out of bed.

### **A Day in the Life of... Jane Austen - New Article Series - A ...**

In 1798 Jane Austen writes of half past three being the customary dinner hour at Steventon, but by 1808 they are dining at five o'clock in Southampton. There are many mentions of the timing of dinner in the novels, but none is so explicit as in the fragment *The Watsons*. Tom Musgrave knows perfectly well that the unpretentious Watson family dine at three, and times his visit to embarrass
