### emerging future?

Leading for the emerging future We are, without doubt, living in a VUCA world - Volatile, Uncertain, Complex and Ambiguous. Personally, I wish we hadn't borrowed this term from the military.

### Leading For The Emerging Future - Safia Minney

In Leading from the Emerging Future, Otto Scharmer and Katrin Kaufer take us on a journey from our current age of disruption to finding individual and collective ways to lead from the future as it emerges.The journey flows along the curve of the "U"—the process of Theory U—a transformational process of observing, reflecting and acting.

### Book Review: Leading from the Emerging Future – Kosmos Journal

- Leading from the Emerging Future, page 18. The most powerful and most actionable dimension of Scharmer and Kaufer's work is the emphasis on the possibility created when an individual or small group shift their way of being. The best single way to do that is to develop the capacity to listen deeply.

### Leading from the Emerging Future – Actionable Books

2 Leading from the emerging future to the heart: It is a shift from an ego-system awareness that cares about the well-being of oneself to an eco-system awareness that cares about the well-being of all, including oneself. When operating with ego-system
