'Mad about Minibeasts!' by Giles Andreae, illustrated by David Wojtowycz is a fantastic book and resource for any early years classroom. Starting with an introductory poem in the morning and ending in a goodbye poem in the evening, the book explores a whole range of minibeasts, their habitats and notable features in the form of short, individual poems.

### Mad about Minibeasts! by Giles Andreae - Goodreads

Purchased as a "Minibeast Theme" book to include in a story sack about, you guessed it, minibeasts. Lovely bright images and lots to see on each page. Simple, short informative sentences on each bug, and interesting facts delivered in a fun way. The book is much bigger than I imagined so an added bonus, for engaging a group of children.
