As yields on the 10-year Treasury notes rise, so do the interest rates on 10- to 15-year loans, such as the 15-year fixed-rate mortgages. Investors who buy bonds are looking for the best rate with the lowest return. If the rate on the Treasury note drops, then the rates on other, less safe investments can also fall and remain competitive.

Spiritual growth is a similar concept but is far more important. Growth is development or improvement toward a goal called "maturity" (or, in the Bible, "perfection"). When one is "born again" as a child of God, he is spiritually immature. As time passes, he should develop the qualities or abilities which the Bible says characterize the mature.
