ABOUT Summer Solutions Every swimmer has experienced the frustration of chlorine eating away at their swimsuits, and the founders of Summer Solutions were no different. They developed a formula to effectively remove chlorine residue from suits, and quickly branched out, making products to remove chlorine from the hair and skin as well.

Summer Solutions is a series of Math Review Books, in which students complete mixed review problems over 10 weeks during the summer. This series was written by teachers who designed each lesson to address the loss of learning that naturally happens over each summer break. Each book in the series focuses on standardized, grade appropriate skills.
