Nina McIntosh's The Educated Heart: Professional ...

Ironically, this book's focus on boundaries ends up being both its strength and weakness. Understanding boundaries is unquestionably important for manual therapists of all kinds, and The Educated Heart does a pretty good job of explaining boundaries. However, boundaries are only a part of the even more important bigger picture, namely the psychological dimensions of the work -- the crucial roles played by the client-therapist relationship, strong relationship skills, the interconnection of ...
