The Education (Independent School Standards) Regulations 2014

The Department for Education ('DfE') has recently published "The Independent School Standards: guidance for independent schools". Although this is non-statutory guidance, it will be important for the sector to consider carefully. The DfE states that inspectors will take it into account when reporting to the Secretary of State on the extent to which the Independent School Standards are being met, or are likely to be met, in relation to an independent school.
